

Mp3 King Sajjad - Stepback !

[DOWNLOAD HERE](#)

My 7 stages of growth and development. New straight truth rap/R&B/gospel/soul sound, if you like reality you'll love this, like Tupac on a new level. 7 MP3 Songs URBAN/R&B: R&B Rap mix, SPIRITUAL: Praise Worship Details: BIO: Robert L. Marion, better known as "KING SAJJAD", was born to Barbara J. Marion and Robert L. Walker on the 18th day of September 1968 at Atlanta's infamous Grady Hospital. He is the 4th of 6 children that Ms. Marion had. Raised in both Mechanicsville and Thomasville he is well known in the "Inner City Circle". He graduated from Fulton High School where he was a celebrity in his own right being # 6 in the state in Track and Field. Accused by Cobb County of 6 counts of Aggravated Assault against CCP (although he was unarmed), Robert was sentenced to 30 years in state prison of which he served 10 years and 3 months (1995-2005). His reputation from the streets preceded him in the prison system and having to defend himself from it fearlessly and frequently earned him the nickname "Dirty Red". As years went by Robert began to grow Spiritually understanding that his incarceration though unfounded was merely a part of God's much bigger plan for him. He began to study more and grow now not just Spiritually, but Mentally and Morally as well. Then one day in 2002 God tested him. He placed him in a situation where everyone expected "Dirty Red" to physically mutilate a transgressor that had challenged him. What he could have done was easily just that ended a life, however God's plan was for him to save lives now. He walked away to his cell and began to write down his pain and anger as well as all of his fellow inmates frustrations on paper. That night he signed up for the talent show and when he finished there were tears in not only the inmates eyes but some of the prison C.O.'s as well! Never they exclaimed had they ever heard anything so hard, so real and so soothing to their pains all at the same time. That night, "Dirty Red" died and through this process of Re-Procreation "KING SAJJAD" was born, My Lord. People who are interested in 2Pac Common Nas should consider this download.
