Klingon klez: good old-fashioned, heartwarming, rompin, stompin, klezmer/funk fusion from other planets, played by genuine aliens masquerading as virtuoso musicians. Will rock your situation. Will make you happy. 11 MP3 Songs WORLD: Judaica, JAZZ: World Fusion Details: KLINGON KLEZ, the klezmofunk fusion band your parents warned you about, has been rocking audiences across the galaxy. The group has two cds out, HONEY WOULD YOU BE MESHUGA TONITE and the brand new BLUE SUEDE JEWS. Directed by Hazzan Jack Kessler and made up of amazing virtuoso players, the band takes klezmer kicking and screaming into a glorious future! BLUE SUEDE JEWS is a wild ride: sizzling original, new pieces including The Odessa-Havana Trolley and the over-the-top Mojo Shabbos, plus the off-the-planet Sephardi Tango of Ultimate Alienation, Dira Gelt where you have to Pay Da Rent to Da Man, the shameless Escape from Reality, and more. Proving that you can fix the world and have a whacking good time doing it, KLINGON KLEZ concerts typically produce mass dancing in the aisles and occasional departure into orbit.
