Lani is a seasoned musician and singer/songwriter, with a multi-genre background and is sure to please most peoples tastes with his variety of music styles. Shortly following this cd he will be releasing another cd of pure Rock and Roll, with his unique screaming electric guitar style, which is his and his alone. He was recently asked to do a song for a cd compilation for Juicy Orange Productions in Hong Kong which will also be released soon. Though being a published songwriter, for an instrumental cd he wrote as a movie soundtrack called "Hong Kong Time" which he plays a Chinese Guzhen and keyboard on almost all the songs, he has decided to release this next CD by himself which he produced in Hong Kong. From Kalamazoo to Los Angeles to Reno Nevada, and now based in Hong Kong amongst the tall buildings, small trees and fine cuisine, Lani Giro (LON-E J-EYE-ROW) has put together this next CD release called, "1,000,000 Measures". This CD has 9 songs from his softer side, with the thought of, this is what you would get after playing over 1,000,000 Measures of music, and is hoping that at least 1 song may be a reflection of some-one, or something you would like to say to some-one in your own personal lives. And for those of you who do not know, the first song titled "Xie Xie" means "Thank You" in Mandarin, and that is what he would like to say to you now for enjoying

and purchasing his downloads. "Thank You" Peace to You and Yours "ALWAYS." People who are interested in Phil Collins John Lennon The Smashing Pumpkins should consider this download.
