Lave-Z applies the word of God using Hip Hop as a key to deliver an unforgettable and uncompromising message as a ministry in song for all generations. Born in Manhattan, New York and raised in South Bronx, Lavan Terry a.k.a (Lave-Z) moved to California in 1986, he has a beautiful wife and two children that he loves dearly. Lave-Z had been exposed to a life of hard knocks and not the most positive influences as a young man, but has used it as fuel to ignite the explosive Hip Hop Gospel style that you hear today. Delivered from Gangsta Rap, Lave-Z is sold out to Jesus Christ and has a heart to help the lost youth of today find their way. His goal is to reach the younger generation with the fire, creativity, hard beats and strong baselines. As a writer, singer and rap artist Lave-Z has produced and engineered his music for the world to hear.
