Details: MAC-Low is a hip-hop recording artist from Dallas, Texas whose style is based on consciousness and personal experiences. The numerous challenges that he has faced as a young black male helped him to develop a unique approach to creative self-expression with depth beyond the average lyrical flow. MAC-Low is a seasoned performer who knows how to involve the audience and pull them into his world. He has opened for various well-known recording artists including Mac 10, Spice 1, MC Eight, 8 Ball M.J.G., 5th Ward Boys, Freestyle Kings, DSR, and Lil Troy. Born Cornelius Darnell Brown, MAC-Low discovered his passion for music early on in his life. Once he decided that the entertainment industry would be his focal point, he began to concentrate on developing his natural talents for performing and songwriting. Later, he forged intern relationships with various recording studios. During this time, he learned the ins and outs of digital recording and mixing music and even took advantage of several opportunities to begin producing other recording artists. Be on the look-out for MAC-Low because he is taking the music industry by storm!
