"The Knife hijacked by the Moldy Peaches and stored in a dank disco cellar with Stephin Merritt" 2 MP3 Songs in this album (6:41) ! Related styles: ELECTRONIC: Electro, AVANT GARDE: Avant-Americana People who are interested in Tori Amos Blondie Nico should consider this download. Details: Nowotny has shifted her difficult harridan like dirges for voice and keys into a micro-universe populated by frenetic fuzzed-up frolics, toy town electronics and devilishly delectable vocals. Spencer Grady, Record Collector #355 There's no doubting that Ms Nowotny finds ease in balancing her sophisticated brand of coalescing electro funk drilled rnb with any manner of melodic genre bending she cares to apply to her aural collages...very much moulded with a strict purist pop sensibility.
