immotive, beautiful pop/rock 10 MP3 Songs ROCK: Acoustic, FOLK: Power-folk Details: mark aston, former lead singer and writer for rock band Addict signed to V2 records. This is his first solo record made at home with the help of many extremely talented musicians including Luke Bullen Kenji Suzuki and Heather Nova. It is an eclectic record with regards to the many and varied use of instruments and feels, but is at its core a traditional song based piece of work. The emphasis is on melody, vocal performance and lyrical content. It is a record to inspire and move, both beautiful and immotive.
