He is currently a member of the Army Reserve where he served his country in Operation Iraqi Freedom Not only is he a member of the Armed Forces, He also works for Coosa Valley Youth Detention Center where hes making a difference among the young generation. Through his Gospel rap, his goal is to help empower the young generation in hope to bring them closer to GOD.

1. Intro - In Isaiah 6, Isaiah was commissioned by God to be His voice to the people. His response to God was, Send me. This song was written simply to say, Lord here am I, send me to do your will.

2. Gospel Music- When I was in the world, I lived it up. I plan to bring the gospel with the anointing of God in a way that the younger generation can understand it. If we can get crunk in the club, we can get crunk for the Lord because in Him I rejoice.

3. Hard- Most people on the streets say that youre hard when you do something like kill or hurt somebody. Im not knocking that but whats really hard is living saved and not doing what you usually would do in a tough situation on the streets.

4. Gave It Up- This song is my testimony to my before and after, simply stating the things I chose to put down to live for Christ. Put first the kingdom of God and all these things will be added. (Mathew 6:33)

5. Hypocrite- A hypocrite is a counterfeit. In the book of Matthew, Jesus told the people that he who was without sin; let them cast the first stone. People spend so much time trying to point out others wrong doings. They advertise others sins before the church and the world forgetting that God is omniscient (all knowing). (Mathew 23)

6. Im Wit It- Taking gods word to the lost sheep (Mathew 18:14). Just as a shepherd is concerned enough about one lost sheep to go search for it, so God is concerned about every human being he has created.

7. Lake of Fire- Sin is the bait of Satan that entices

unsuspecting, gullible minds. Many preachers omit passages related to sin and hell. However, the Bible talks about hell and encourages gangsters, thugs, pimps, and trapsters to accept Christ. I know we like it hot in the south but not that hot. (Mathew 25:30) 8. Seen And Heard- Paul stated that he could only speak of the things he had seen and heard. I want share my life experiences. 9. Stand and Praise- God is infinitely the most awesome being there ever has been and ever will be. Once we accept Him into our lives, we join His team. 10. Rapture- The rapture, tribulation, Armageddon, millennium, and the great judgment are real. One day there will be a shaking in the foundation of many peoples belief. Many people dont believe in God and the end times. Jesus stated however that there would be signs of the end. (Mathew 24:3-51) 11. Till Death- We will not be perfect until we make it to heaven. That does not mean that you should give up just because you fall short. The bible reads that seven times a righteous man falls, seven times he gets up and there is more joy over one sinner who repents than 99 that need none (Luke 16:7). Fight till death my brothers and sisters. The end is better than the beginning. 12. Bring it to yall- The gospel is not to be shared in the church. In fact, it should predominately be spread in the streets. A physician should not be with the well but with the sick. (Mathew9:12-13) 13. Nobodys Without Sin-We all have sin and we should not just one another. (Mathew 7:1-6) (James4:11) 14. Truth- Riches gained quickly are lost just as quickly. (Mathew16:26) 15. Make Way - We should prepare for the return of Jesus. (Mathew 10:5 Mathew 24:3) 16. Outro- Thank yous
