Great electro-acoustic rock music featuring songs by English singer/song-writer Theresa Rhodes with ONE FOR THE ROAD. Stealing the show is the aptest of titles for this groundbreaking album. 11 MP3 Songs POP: British Pop, ROCK: Folk Rock Details: One For The Road was formed in 1995 by singer/songwriter Theresa Rhodes and guitarist/arranger Kiet Nguyen. Theresas childhood in India, Africa and Europe merged with Kiets oriental background produce a unique blend of influences which are reflected in the bands intriguingly eclectic sound. Stealing the show is the aptest of titles for this groundbreaking album in which One for the Road expand the bourbon-stained influences that marked their debut via an atmospheric crawl of exotic tavernas and Eastern bordellos. Set in a mysterious, apocalyptic twilight zone - inhabited by curious lounge lizards, vampires and night stalkers - the honeyed, fallen angel voice of Theresa Rhodes nevertheless ensures that the sweet embers of love shine resolutely through the killing fields so stunningly evoked by the cataclysmic soundscapes and samurai guitar of Kiet Nguyen. Someone may be screaming but the walls are still moving to the sounds of One for the Road at the peak of their powers. BGM
