melodic rock 15 MP3 Songs ROCK: Modern Rock Details: FLY BY WIRE/Paul Mangone - Former bass player for the band EXTREME surfaces with a new 15 song CD that has captured the best in melodic rock with a fresh face. The songs that make up "Fly By Wire" represent what was happening in his life, at the time he wrote them. Paul explains, "I've included different songs that mean different things to me as this life of mine reveals itself." Special guest vocalist Gary Cherone helps out by lending his distinct vocals on the LP's first track, "Fly Like A Bird." Mangone's incredible songwriting and keen sense of what works has blessed him with a disc that can be placed in the "MUST HAVE" file for any rock music lover.
