

Mp3 Piedmont - Progressions

[DOWNLOAD HERE](#)

Formed at the base of Mountains :: Metropolitan hardwood, Piedmont packs electric guitar-driven and folk rock songwriting into a debut that 103.7 The Mountain in Seattle has been spinning since February of '04. 5 MP3 Songs ROCK: Modern Rock, ROCK: Folk Rock Details: - - - Piedmont is a rock group from Seattle, WA that is still working hard to support their debut release: Progressions. A CD release from Christmas of '03, this 5-song EP is in the hands of many new fans and continues to spin in and around Seattle on 103.7 The Mountain and other local/regional stations. - - - The band is fronted by guitarist Matt Phillips, an amazing singer/songwriter whose background includes being a member of Seattle bands The Drive (w/ Dylan Fant of One Shot Studio, and now-solo artist Trevor Wheetman) and Sansei (more recently known as: The Prom, w/ James Mendenhall and Dave Broecker). Phillips is the one that brings the new songs to band practice... and manages the band, their bookings, and their website on the side: PiedmontMusic.com. - - - Piedmont's Progressions also features drummer Andrew Stockton (formerly of China Davis, Hoovenfly, and No Outlet; awarded Best Soloist at the 2001 Lynnwood Jazz Festival) and bassist Ray Tantzen (mastermind behind Stingray Productions, Progressions' primary tracking studio) Tantzen is also a former chief engineer of Jungle Studios in Seattle. - - - To learn more about the band and what they're up to these days, visit them at PiedmontMusic.com! - - -
