Synthesizer based rock combined with beguiling pop melodies and a distinctive buzzy synth/guitar sound. 12 MP3 Songs POP: Synth Pop, ROCK: Garage Rock Show all album songs: Puppetbox Songs Details: Puppetbox creates synthesizer based rock music from a hamlet nestled on the corner shores of Brooklyn, NY. Since 2003, Puppetbox has honed its sound to create beguiling pop melodies, but with a distinctive buzzy synth/guitar sound. Puppetbox's first EP established an audience with its favorable reception and ubiquitous presence on high traffic music and blog sites. With their new eponymous album, Puppetbox stays true to their sound and expands their songwriting to include array of styles and genres. Their goal is to make songs that they would love to listen to and they only listen to music that is awesome. Some reviews of the band include: "The song "Kimberly" reminds me a lot of old Weezer, say Blue era gone synthy. Especially the lyrics "You look like you could be much fun/you smell like bubblegum." Now this is a good thing." - Dreamsofhorse.blogspot.com "I like the mix of rock and elctro sounds here. good guitar licks, and nice changes. fun and poppy, but still dark and geeky." redfizz.com "This track (Kimberley) is pure fun!" - indiedontdance.blogspot.com "John you are an emotional toddler" - a fan "Just call that song all kinds of f**ked up" - music critic, Brian
