Thursday In The Square Written and produced by Sam Conjerti 2004 samuel f conjerti I'm Gonna Love
You Tonight : A simple, straight forward love song. "I love you, does it show? If I didn't tell you would you
know?" It's A Crime : Sometimes the way you are treated in a relationship should be illegal.(I gave you
the key to my heart, it would have opened still you picked it apart - if you don't love me it's a crime)
Thursday In The Square : The setting is at the Thursday At The Square summer concert series in Buffalo,
NY. After meeting a potential "love" at the concert, the plans to meet the following week fall through and
the search begins anew. "Going in circles at Thursday at the Square" I Got What You Deserved:
Reflections of a nasty divorce. It can seem one sided when one side has ties to the Judge. "You got
everything you asked for; I got all that you deserved" Two Heart Reunion : A true story about a chance
meeting at a high school reunion that led to true love. Sally : A fictional song of how a few too many
drinks and acting like a jerk can make a bad first impression on a girlfriend's mother."I got a little drunk
and I got a little loud, I told an off color joke in a rainbow crowd" The Girl In My Dream: I met this girl in my
dream one night and we fell in love. I had to wake up for something and she said she'd be there when I
returned. I just could not get back to that same dream no matter how much I tried. I spotted her a year
later selling balloons at the San Diego Zoo. Is It I'm A Fool For You: Does love make a fool of you or are
you just a fool? Love can make you weak and vulnerable to the point of being a fool. "Is it I'm a fool for
you ... or am I just a fool?" She Won't Be With Me Tomorrow: An extended version from the rare
collector's vinyl LP "Earth Free"/ Conjerti,Morreale Dibley. A psych/folk tune originally recorded in 1971,
modified and fortified. I Feel Like Coming Home: Written with Dan Gambino and Paul Janet Thurston.
This song is about a separation. The pain of being away from the children can be greater than the pain of

staying in a bad marriage. A father longing to be a father balances the pain. "Send my love on to the children; tell them Daddy loves them so. I miss their goodnight kisses and their early morning glow." I Told You So: An attitude song directed at someone that left. "You're gonna want me back again, and then you'll hear me say..... I Told You So!"
