

# Mp3 Scott King - Wrecking Ball

[DOWNLOAD HERE](#)

Scott King's characteristic hooks and lush lyrical imagery are grounded in rootsy, Biblically-relevant, acoustic guitar-driven rock. 12 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: Answering as quickly as possible the increasing demands from his fans for his latest batch of songs that they'd been hearing live, Scott King banged out "Wrecking Ball" in just under three months. Recorded in the wilds of Maine on a stand-alone digital machine, "Wrecking Ball" was inspired by his ongoing walk with Christ and delivers new interpretations of faith-inspired themes. So, who is Scott King? Simply put, he is one of the finest acoustic guitar players around, with stunning fretwork reminiscent of Bruce Cockburn. Bostons Metronome Magazine writes of Kings finger-picking magic, while Rounder Records recording artist Nerissa Nields dubs King a tremendous guitarist: clear, tender, and fresh. But King doesnt only deliver what former Northern Lights guitarist Bob Emery calls excellent guitar chops. He also happens to write songs thatll knock your socks off. SoundCheck Magazine says King infuses his songs with plenty of hooks, and really knows how to write those passages that stick in your head but this listener has perhaps said it best: King has a lyrical depth that rivals those of the best songwriters of his generation and tunes that capture you with the very first notes." Kings discography begins with Xgurus "Wonder of it All" (1999), produced by Tim OHeir (Juliana Hatfield, Folk Implosion) and recorded at the infamous Fort Apache in Boston. Kings first solo recording, "The Thomaston Sessions" (2004), was an acoustic showcase for his exceptional guitar style, melodic choruses, and poignant lyrics. In 2005, King released "Portrait," an imaginative, rootsy potpourri of several different genres. Exploring everything from true love to Biblical irony, "Portrait" is a moving demonstration of Kings outstanding creativity and versatility as a songwriter. "Wrecking Ball" (2007) continues this journey, once again showcasing King's linguistic prowess and versatile musicianship as well as his original take on familiar themes.
