Somegirl's third album continues to build on the band's established sound, blending smooth, sensual vocals with electronic soundscapes that span the spectrum, from lush, drifting ballads, to uptempo dance-club hits. Included with the dozen original new songs on THE VELVET HOUR are three memorable cover versions of hits from Duran Duran and ABBA, and the old-time classic "Perhaps, Perhaps, Perhaps". This is an album that is as smooth as the title suggests-- pop songs that brush past the listener like velvet.
