An unbeatable blend of music from the islands; like a musical journey of paradise, you can literally feel the crystal blue waves as they crash around your feet as you drink pina coladas. 8 MP3 Songs WORLD: Island, JAZZ: Latin Jazz Details: The Tropicats started in 1998 with Mark and Jennifer Mireles. They played small shows all around the Houston Texas Area. As Time went on they grew to add 2 more people. Jamie Casco and Kevin Patterson. The original goal of this group was to create innovative music that captured the feeling of the islands and bring it home to people here. The music was not only relaxing to hear but equally relaxing to play. We then had a member change in 2002 to include the talents of: Doug Deforest, Ken reynolds, Allen Huff, Rayvn Dixon, James Marshall, Chuck Payne, and Mark Mireles.
