Trance / Techno / Psychedelic Trance / Progressive Psychedelic Trance 9 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Techno Details: Top of the line Progressive Psychedelic Trance from Germany, Sweden, Israel Mexico. "Psybration - Fundamental Progression" presents the finest most updated in Progressive Psychedelic Trance. One by one, each track on this compilation is a floor wobbler! Progressive Psy Trance is Alive Kicking... Vibrant Evolving; Touching Full-on Psy, Progressive House Techno, this compilation grasps the future of Progressive Psy Trance, revealing the current state of things by the best in the field. Carefully selected by AP Records Progressive Psy expert; DJ Narayan. The opener by Sebastian Kruger (aka Acupuncture, SBK, etc.), by far one of the most significant influential artists in the chronicle of Progressive Psychedelic Trance music, is maybe the best way to describe this entire compilation. With a massive kick drum this track is a perfect blend of anything you can imagine in Progressive Psychedelics. It simply contains all those elements exactly in the right balance; Full-on, Progressive, House, Techno, Rave - a true Neo Full-on track coming from the Progressive fringe. Not only will the floors rumble but also the walls! Zerotonine with a powerful, dark rolling night track. Micha Yosef, aka Echotek Reflex, brings in two beautiful special tracks with some Housy flavors but still very much on the Psychedelic periphery - perhaps the highlight of this compilation. Meller Etnoscope with groovy, percussive - Tribadelics. Tegma Vazik add up some minimal Progressive floor functionality. Magnetrixx wraps up this "Fundamental Progression" with the once in a life time, eye opener, visionary, hovering - Somnam. The 12" Vinyl EP contains 2 extra tracks which are not released on the CD. Serial Number: AP117
