This first book by Pennie Morehead chronicles the life of Judith, the wife of Gary Ridgway, the infamous serial killer of more than 48 women. It contains 112 original photographs and letters, many published here for the first time, and reveal the relationship between Gary and his unsuspecting wife, Judith, who was living some of the happiest years of her life while married to a killer. Ms. Morehead also gives an in depth analysis of Gary's handwritten letters from a professional graphologist point of view. As of this date, despite the diligence of many investigators on this case in locating the victims of the Green River Serial Killer, there remain several bodies of those victims that still need to be discovered.
