"Why are Christians against same-sex people getting married? . . . Why do you believe God exists at all? . . . Why would God allow evil and suffering? . . . Why trust the Bible when it's full of mistakes? . . . How could a loving God send people to hell? . . . What makes you think Jesus was more than just a good teacher? . . . Why are Christians so judgmental?" Some questions can stop a conversation. Today, more than ever, people are raising difficult, penetrating questions about faith, God, and the Bible. Based on an exclusive new Barna survey of 1,000 Christians, The Questions Christians Hope No One Will Ask presents compelling, easy-to-grasp answers to ten of the most troubling questions facing Christians today. These include everything from the existence of heaven to the issues of abortion and homosexuality, as well as the question of whether evolution eliminates our need for a God.
