

1-3 John Macarthur New Testament Commentary - Jr. Macarthur, John F.

The apostle John is really a man for our time. He wrote his three New Testament letters in a bold, direct, even dogmatic manner—more so perhaps than any other New Testament writer. Although renowned traditionally as the apostle of love (and he was), he was an authoritative, uncompromising teacher—an exclusive-style instructor with a crucial message of truth versus error, a message which the twenty-first century church needs to hear.
