

Be Equipped (deuteronomy) - Warren W. Wiersbe

Gods people were never meant to blend in. Instead, were called to stand out from the crowd, and become a beacon of hope. But nothing dims our light more than conformity, when voices that once proclaimed truth begin to quietly yield to a noisy world. Based on the books of 2 Kings and 2 Chronicles, this study offers an eye-opening look at the high price of conformity, and shares how we can stay distinct from our surroundings. Part of Dr. Warren W. Wiersbes best-selling BE commentary series, BE Distinct has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe examines how we can be salt and light to a world in desperate need of truth. Youll be encouraged to embrace your unique identity in Christ, and be challenged to rise above the world around you. Author: Wiersbe, Warren W. Publisher: David C.
