Book 3 in the Demons in Exile series. Though a stand-alone story, we suggest reading in sequence to fully enjoy. Mortal women surrender to Dante's seductions. He is a Drone, an immortal who feeds off their lifeforce energy-the chi that keeps his kind alive. When his dimension is on the edge of destruction, Dante must seek the help of one special woman. Haley Moore is a Sha Warrior-a mortal with excess lifeforce. She's always been drawn to Dante. When they meet again he thinks luck is on his side-his quota of chi energy would be obtained after one scorching scene with this mortal. The problem is that he is overwhelmingly attracted to her and once with this woman won't be enough. Haley tries to draw out the man buried deep within the demon. Their fierce, undeniable passion unravels his plans and threatens her life. But Dante is destined to leave Earth forever. He must choose whether to return to Prygos or give up his immortality and share his future with Haley. Author: Kulig, Kathy Publisher: Ellora's Cave Publishing Inc.
