

Hello, I Love You: Adventures In Adoptive Fatherhood - Ted A. Kluck

Hello, I Love You is a very real and authentic look from Ted Kluck's perspective of his journey through the corridors of international adoption. Overcoming the heartbreak of infertility, Ted and his wife set out on a faith-challenging adventure. Traveling to a foreign land, carrying tens of thousands of dollars through a crowded airport, enduring passport checks, airport con-men, and Ukrainian cops with guns-this was a part of their wild ride of international adoption. But so was God's faithfulness taking new forms each day through the love of friends, the support of family, the comfort of Scripture and the fellowship of a new church family in a foreign land. And so was the joy of meeting two boys who would become a part of their family. This book will encourage and affirm couples who are considering, or in the midst of, international adoption and those who support them. Author: Kluck, Ted A.
