Finally, The Missing Link In The Video Marketing Arsenal. How You Can... ..Turn Viewers Into Do-ers!
Discover The 7 Brutally Effective, Secret Video Techniques That Literally Force Viewers Away From
YouTube And Straight To Your Website... ..Time After Time! * If you finally want to cash in from the
YouTube gravy train... * If you want to turn casual viewers into frenzied, wallet-waving buyers... * If you
want a simple step-by-step formula for cranking out winning, profitable videos every time... The 7 Simple
Steps To Killer Video Conversions Thats all there is to it? Yup, just add these 7 key ingredients to your
next video, and I guarantee your visitors will be ditching YouTube and flying straight to your website faster
than a nun on a skateboard! Heres the deal... Because Killer Video Conversions is so ridiculously easy to
follow, it weighs it at a little under 25 pages. Its no textbook. Just solid facts thatll turn your video viewers
into do-ers. Youll see me analyse the emotional triggers in one of my recent videos which has a massive
[red]70[/red] conversion rate. That is, for every 100 views I get on YouTube, I get roughly 70 new, highly
targeted visitors to my website. ...and get this. I recorded that video in just over 5 minutes! Heres what
else youll discover: How To Correctly Craft Your Title: It stands to reason...You wont get any visitors if
nobody watches your video.
