Girl with game boy, synths, saxophone, and circuit-bent toys seeks audience for low-fi, loopy, sonic delights. "Ambient glitch". 9 MP3 Songs in this album (38:29) ! Related styles: ELECTRONIC: Down Tempo, ELECTRONIC: Experimental People who are interested in Boards of Canada Julee Cruise Lali Puna should consider this download. Details: Layered loops of synth, 8 bit glitch, and classical saxophone combine to create Caly McMorrow's debut release All Of This Is Temporary. One of few women in the DIY-driven scene of music made with circuit bending and chiptunes, Caly's combined experience in experimental electronics, classical music and theatrical sound design lends itself to cinematic, melodic soundscapes with a uniquely feminine feel. Caly's first full length studio album captures her live, loop-based performances. Her sound has been compared to the ethereal vocals of Julee Cruise, the dense collage of Coil, and the ambience of Boards of Canada.
