Details: James Taylor announced recently that he will join with the original members of Squeeze to perform a diverse setlist of John Lennon covers one night only! If any of that were true, it might sound something like the music of Daniel Christian. Based in Lincoln, Nebraska the state that shared Matthew Sweet, 311, Connor Oberst, and James Valentine of Maroon 5 comes a singer-songwriter who blends jam-band trends with Revolver-esque pop/rock sensibilities. This is what listeners are saying about Daniels music - Beatle"esque" radio friendly pop - Daniel's music always makes me think and smile!! - Dan's music has a sound all its own, but his voice really does kind of make it sound like Weird Al gone mainstream. - Dan's music sounds, like cinnamon rolls taste. - Fantastically failed attempts at silence. - Heady, articulately crafted music that falls within the rock tradition, but avoids restricting itself to any one era stylistically. - It makes me think about stuff. - It's not rap. - No matter what track I am on, there is always something to tickle my musical taste buds. - Oscillates. - Scrumtrulescent! - Soon to be heard on the new Fraggles Rock feature film. - Stratospheric thought provoking stories with a shiny edge. - The music of Daniel Christian is a virtual journey that surpasses into translucent pleasure; a pleasure that any conscious pickle could comprehend. - Wonderful, thought provoking, creative. "Daniel is an exciting, unique performer whose songs lift you up when you hear them. He is a great talent that we are lucky to have here in Nebraska!" --Robert Debusk, Nebraska Coordinator of the Nashville Songwriters Association International (NSAI) Truly wonderful songs written by a gifted singer. --Laurie McClain, Nashville Singer/Songwriter Refreshing...adventurous...I'd keep [these songs] away from anything too flammable." --Josh Whitney, News-Press Nashville recording artist Daniel Christian (BMI) has toured the nation in a

number of performing groups, allowing him to share his music in many great U. S. cities, entertaining large audiences at Disney parks, on cruise ships, and in the Bahamas and Mexico. Daniel is quite a miscellaneous kind of guy, and in 2002 he was awarded 1st place in the "Miscellaneous" category at the 32nd Annual National Country Music Festival, where he was also 1/3 of the festival's Best Vocal Group. Today, Daniel continues to write music. He belongs to the Nashville Songwriters Association International (NSAI), and released his debut album I AM MERELY SAND in 2006.
