havefun-willtravel HOWDY, I've had so much fun over the years performing in South east Wyoming and Northern Colorado. Playing live is my passion and I've always considered myself an entertainer first and a guitar player second. I've cut back performances lately to about 100 per year from about 175 in 1997.

(that was a crazy but fun year). I play solo most of the time but am very fortunate have an awesome band, "Have Fun Will Travel" that consists of some of SE Wyoming's best talent. We generally play originals, original covers and the classics (You know..... Oldies, Older Rock, Country and a touch of Reggae/Calypso). I am known as a fun entertainer with lots of energy with no two shows being the same!

Always a good time! My main musical influences are the Eagles, Robert Earl Keen Jimmy Buffett and I think my writing is very evident of this. That said, lets talk about the Cd. Danno - Have Fun Will Travel

1) The way I am- is my signature song, written in a Ft. Collins, Colorado bar while being snowed in for the weekend. Inspiration takes all forms 2) The Fugitive a song about a man on the run- a Murder Mystery  
3) What am I gonna do - we have all had this problem...at least once 4) Zoe's song - a song for Dad's  
5) Rock Jam - a Calypso love song 6) Come on Over - another love song written for someone special  
7) House Boat - ever been to Lake Powell?? Pretty cool place 8) Little town Girl- small towns- when I leave, I always return home 9) Free - we all want and need freedom- take it when it comes 10) Whiskey and a Taxi- one great night! What a good idea 11) Runnin' Back to You- the title says it all 12) Shot Song - dedicated to all my favorite Bartenders 13) Rodeo- a Honky Tonk song! I'm from Wyoming- what can I say Well, there you have it! Check out the other Cd - Danno - The Next Time Around Above all ..... have

a great day and remember: smile whenever possible, even if you don't really want to! Thanks, Danno
