Like a refreshing cloud on the summer's torrid sky, like a blessed oasis in a sweltering desert, like a crystalline brook in the path of the exhausted traveler, such is this collection of classical hymns, presented by young artist Dennis Miclau. 7 MP3 Songs GOSPEL: Traditional Gospel, EASY LISTENING: Background Music Details: Dennis Miclau is a music major at Portland Bible College, where he continues to study the musical work of art. He is the pianist, arranger, and producer of the "Sunset Quartet", a southern gospel vocal quartet. In 2001, Dennis was blessed to produce a piano meditation CD. At the same time, he felt that God was calling him to do something more than just produce a CD. He was directed in helping poor families and orphanages in Romania. By doing this, he decided that part of the proceeds of the "Meditations" album will go directly in the hands of the poor families and orphans of Romania.
