Pop/rock and ballads with echoes of classic rock and 80s rock 5 MP3 Songs POP: British Pop, ROCK: Classic Rock Details: Gavin is thirty two and has a good fan base in his own town. He can sing pop heavy rock and ballads, he has an ex coal miner for his song writing partner. He now spends his time singing with two different bands, one is heavy rock and the other pop. If you listen to the album you will hear how versatile his voice is. Gavin was born in Sheffield, or as it known throughout the world, Steel City. His first studio experience came when Kamal Malik chose Gavin to sing one of his songs. Gavin had previously written some songs along with his friend Dave, and decided now was the time to do some recording of his own. Gavin Maxfield is a great singer with an exceptional voice. He has the ability to sing any kind of song. On this cd you will hear how versatile he is. The lyrics in all the songs are excellent and will appeal to everyone. So please have a listen and rock along to " Parachuted " and cry to " Song for Dad ". This is just the beginning, there are many great songs to follow, keep watching this space.
