Erotica that makes you want to call someone special..FAST. 10 MP3 Songs SPOKEN WORD: Poetry, EASY LISTENING: Mature Details: Simone "Indigo" Priestley, the baby of 6 siblings, made in jamaica, born in bklyn n.y. in the hot summer, hmmm...that would explain why the audience melts when she caresses the mic Shes been on the spoken word poetry scene for about 4 yrs. Shes been writing poetry off and on for about 10yrs and in that time most of her work was mushy love stuff or everyday life oriented and those poems either got lost, or burned or maybe even stolen and then about 4yrs ago she started writing again, of course she was in a depressed mood according to her(due to a man no doubt) but everything was coming out in a sexually erotic tone and she loved it. She would read her work to a few co-workers and one day one of her co-workers (Hank Young) suggested she go down to a spot called Moorepics which was run by Aqiyl Thomas and Jessica Care Moore and that's where she first performed. It's been an erotic ride ever since. 2004/2005 was definitely full of highs and lows professionally and personally. But she is grateful for all the extremely talented people that she has met for they have touched her life in a positive way. She said when she sees and hears poets like Amir, Malik, Jon Goode, Cali Starks, Tommy Bottoms, Abyss, Renita, Haya, Bonnie and thats just to name a few. They all make her wanna be a more intensely erotic poet because thats who she is. And when they spit a piece she knows thats who they are and what they feel without question. And that fact alone out weighs any lows shes encountered in 2004/2005 so her highs shine bright and any lows have become a complete blur at this point. Now in 2006.with her eyes open wide and so much to be thankful for she appreciates the creator that much more for giving her the gift of writing. So keep your ears open and your eyes peeled for Indigo..High Priestess of Erotica featuring here touring there guest appearance here you get the picture Nominated and awarded Creative Artist of the Year 2003 Nominated Hustler of the Year 2003 Nominated
