This is a great sound of heavy metal, blues, and rock all in one electric guitar. You will enjoy it. 10 MP3 Songs ROCK: Instrumental Rock, BLUES: Rockin' Blues Details: I am J.D.M,a lead guitar player.My music is hard, but soft. My music is 50,50, meaning,no matter young or old anybody can listen. I am from Atlanta, Georgia. I can play from James Brown to Jimi Hendrix in the same song, and them some. I've played with rap bands, R&B, Rock and Roll, Gospel, Ragge, and even Blues bands. I play my music only from the heart.All I have to say is, "Thank God for giving me a chance to record a cd i thank cd baby for helping me sale it i thank all the people who will buy my cd i thank disc makers for a great job on their work on my cd peace and love to everyone i will be working on some new music i am looking for a singer i plan to go on tour also i will be putting a band together any body want to join you can email me thanks"my uncle gave me a box guitar when i was ten when i was twelve iwas trying to play rock and hendrix when i was thirteen i found out my uncle had record a album with jimi hendrix right before hendrix went to london my uncle like soul music i was stuck in the middle i lke my uncle music and i like jimi music it took me five thousands tries to play the star spager banner i thought i would never get it but i never gave up so what i am saying is that i will be playing music allways its part of my life
