NEW AGE: New Age, EASY LISTENING: Love Songs Details: DIY Transforming from a poor student to a musician with his own project studio now, KCLau is indeed a great example for the DIY (Do It Yourself) artist. At least, he never give up and found his own special way to move further in his music career. Kite Shepherd is KCLaus first solo debut. It is fully funded from his own pocket money. In this album, he wrote all the melody and the music arrangement. Some friends help on writing him the lyrics. His music is soothing. It gives you the comfort when you are frustrated. It also eases your feeling when you are upset. His music can endure the test of time. It is simply great!
