Influenced by many with a sound all their own. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: liveforevernow is a band with a heart for God and a passion for exciting and intelligent music that will make you laugh, cry, think, and pray. Guy Braisted and Brian Pawlowski form an incredible song writing team. Their songs reflect their faith in a real world. Guy is an alumni from the prestigious Berklee College of Music in Boston where he honed his songwriting and performance skills. He has been a professional songwriter and musician with a diverse background that includes touring as a keyboardist for a CBS signed band, performing in nightclubs and portraying lead roles in Musical theatre. Brian has been classically trained and currently attends Philadelphia Biblical University. After much prayer, God lead them to a common focus...liveforevernow. The talent of this new project was immediately obvious to Damascus Publishing who signed the band to it's label. Their energetic live show and crisp powerful CD have already begun to enlist a loyal following. The band's goal to reach people where they are and show them the love of God is well underway. So many people of all (and no) faiths are enjoying this debut CD from a band that only gives 100. "The Bromo Song" was a top ten finalist in the 2004 "USA Songwriting Competition". ENJOY!!!
