Allusive, seductive and meaningful rock tunes; lyrical melodies with thick but transparent harmonies; something for those who've experienced the ups, downs and in between of living, loving, dying. 14 MP3 Songs ROCK: Folk Rock, POP: Folk Pop Details: Please listen to the samples and buy our CD! So much heartfelt thought and work went into "femme"...i've never been more proud of a project. Johanna and i composed what must be thousands of minutes worth of music over the almost two years of collaboration; i feel that these 14 tunes are some of the most heartfelt, meaningful and best produced and performed. I think the music is for everyone; but I think it will really reach people who've lived a little, who understand the enigmas of love, relations, dying. I also think those, like Johanna and I, in the music scene might find it interesting and hopefully inspiring. I hope you listen and I hope you purchase "femme"...your support will help us continue writing, performing and producing the music that we love--real music, not that Ashly Simpson (or whoever, Paris Hilton (does she sing, well she will soon, won't she) J-Lo bullmake that has infected the. . . oh, don't get me started. . . rufus stennis brown Rufus was my engineer, producer, collaborator, muse, and most especially my friend. Please check out this album and hear what an amazing talent the world lost this year. If you are still reading and interested check out his album o.x. reality, also available at cdbaby.
