Acoustic-based songwriting infused with tension. Complex chords and progressions under often intense, spiritual lyrics. "More epic and grandiose than your average pop song." 9 MP3 Songs ROCK: Folk Rock, ROCK: Acoustic Details: An acoustic alternative singer/songwriter whose sound ranges from fingerstyle ballads to modern rock; percussive strumming combined with powerful vocals and harmonies. A passionate performer with well-crafted songs on the trials and triumphs of the human spirit. Critics have said: "One of the best records in recent months by a great songwriter" - Rant N Rave "Massimo has a knack for capturing everyday frustration and he's deft with more nuanced feelings as well." - Asbury Park Press "Massimo stumbles upon brilliance with his latest CD. This is a fulfilling album. It could be the one that takes him to the next level. Savor it." - Songwriter's Monthly This album continues a trend only hinted at on previous releases. Now fronting the band that is his namesake, Massimo's emergence as a modern rock artist is complete.
