The "L.A." album. Strangely only released in Sweden. 10 MP3 Songs POP: California Pop, POP: British Pop Details: LIFE INSIDE IS AN IMPORT CD. BECAUSE IT WAS MANUFACTURED IN SWEDEN, IT DOES NOT COME SHRINK WRAPPED BUT ALL CD's ARE SOLD NEW. Born and raised in Sweden (itself a stronghold of pop perfectionism), Patrik grew up with a unique, outside-looking-in perspective on the expanses of American songwriting, and immersed himself in it early on. By thirteen, hed already become something of a teen star, releasing bona-fide punk records on both Scandinavian and U.K. labels. At eighteen, Tanner moved to the U.S., and, soon thereafter, released two solo albums with his Los Angeles-based band.
