That music never ends like it starts. A mix of hard techno, dub and ambient, often in a same track. Don't believe it? Listen. 8 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Ambient Details: 32 year-old French guy living in Japan. Started making loop-based music in 2002. Got the first prize of the AcidPlanet's Electronoel 2003 contest with 'Twisted Reality'. Big interest in mixing techno, ambient and dub. Also writing experimental, soundscape music. I wrote this album in the summer of 2003, a very difficult time for me, which may explain the 'moody', often changing kind of electronic music you will find in this album. Let's call that new genre 'moody techno'. Enjoy!
