Porn funk retro pop rock 11 MP3 Songs POP: 80's Pop, ROCK: Funk Rock Details: Randy Lee Majors is arguably the world's greatest entertainer and lover. His music spans the gamut of pop rock genres with clear Prince and 80's rock and pop influences. Randy Lee has released five albums over the last 10 years. 'Feeling Randy' is his latest album and possibly his finest work to date. In Randy's own words: 'I said my previous album, 'Best Ass in the Business', would be the one I was remembered or perhaps indicted for. Well the new album 'Feeling Randy' is the one for which I'll finally be appreciated. It doesn't get much better than 'Feeling Randy', there's something on there for everyone to enjoy, eleven great pop rock songs in my inimitable porn funk style. Nobody rocks the house like Randy Lee Majors.....nobody.'
