Mix twangy guitar, percolating synths, slide, banjo, dance floor rhythms, samples vocals with roots in garage rock, dance, new wave, soul and disco... stir up a party...its love and sex and rock and roll. 7 MP3 Songs POP: Quirky, ELECTRONIC: Pop Crossover Details: Brand new, please enjoy this debut ep from RockDownBaby. She wrote, produced, recorded and played all the instruments on this fresh collection of indie/pop/electronica/dance songs. A combination of strength and femininity, RockDownBaby doesn't take herself too seriously. "It's only rock and roll, RDB says, "Love and Sex and Rock and Roll." Her musical roots are a blend of garage rock, dance club music, early 80s new wave, soul and classic disco. You can hear a bit of Americana and twang in RockDownBabys songs, dancing alongside the disco driven grooves. Film and television music directors have taken to RockDownBaby right away. Her songs have already been in several independent films, on HBO and slated for a reality show on MTV. Here are her very first reviews: Rockdownbaby is fun, funky, and deliciously naughty. This extended play CD is chock-full of danceable grooves and impeccable rhythms, not to mention good-hearted goofy humor. Rockdownbaby's music deserves a wide listenership and lots of dancing feet--and it's sure to find both. Florence Wetzel (co-author of Perry Robinson: The Traveler and staff writer for All About Jazz--New York.) I ABSOLUTELY LOVE IT!!!! G. Gone (Cygnus Radio) Track list: 1. Test Drive - this sultry combination of slide guitar, banjo and dance track is pure invitation. 2. TV Dog - Her ultracool, ungrateful talking canine thinks he's a celebrity...or ought to be. 3. Baby, Baby - My favorite... I think about this song night and day... 4. I Am Your RockDownBaby - RDB's utterly groovaceous party manifesto. 5. Soul Connection - what it 's all about, in life and in love 6. Spy On You - Webcam, cell phone cam, telepathy cam: "I like to be STIRRED...not shaken," she told us. 7. I Feel My Sex - one for the ages. Songs #1,2 7 are collaborations with lyricist David Graham. Hope you have a fun listen. -- J. Friend (President, Life
