Great with dinner. 9 MP3 Songs JAZZ: Jazz Vocals, BLUES: Jazzy Blues Details: Breaking into the Jazz scene-at a local or national level- is not an easy task for anyone. For Tommy Bruce, add to the challenge that he is starting out at an age when many are considering less taxing second careers or early retirement. Further, consider the expectations that are likely to follow the brother of the late Roberta Davis(National intimate room Jazz artist). Yet, if this first recording is any indication, Tommy Bruce is up to the challenge. Andrea Canter, Columnist in Minneapolis Sometimes, the best does come to those who wait- Andrea Canter Despite encouragement to pursue music all my life, I started singing seriously a year ago, finding an opportunity and an audience on Saturday nights in a restaurant(Three Fish) in Minneapolis, Minnesota. After giving the manager a demo, he offered me a regular gig once a week on Saturday nights. (What a nice gig). This restaurant is known for its sea food not cabaret, and I was chosen to begin the new effort of " Three Fish" to bring live dinner music to this beautiful west Minneapolis area. I hope you enjoy my the music. Tommy
