

# Mp3 Uphonic - While You Were Asleep

[DOWNLOAD HERE](#)

Sounds like Satan slit his wrists, died and went to America. 14 MP3 Songs ELECTRONIC: Pop Crossover, POP: New Wave Details: Uphonic is the sinister sound. Bordering on the edge of being dark, twisted and demented there is a message, a light that pushes through just to take you back down again. More than just a band, Uphonic is set to make music history with their entourage of dancers, lights and visuals. The sound is dark and rhythmic, with catchy basslines, violent beats and the sinister vocals of Evol Mac Vaughn. In the midst of an indie explosion, Uphonic is the breath of originality still delivering a sound unique and true to the electronic music genre. Uphonic has performed at venues such as The Bill Graham Civic Center, Folsom Street Fair and The Fillmore.
