----- "IT'S LIKE BOB DYLAN SINGING SONGS FOR KIDS IN MACEDONIAN" ===== MOE DETE (CHILD OF MINE) - ALBUM DESCRIPTION This album is aimed to MACEDONIAN PARENTS AND KIDS, as well as all those interested in EXPLORING and DISCOVERING new and interesting CULTURES. It's the forerunner of OCTOPUS IN LONDON, the other children's CD which we offer in our CDBaby store. Some of the songs from MOE DETE were transliterated into English. In their English, as well as in this Macedonian version, they prove to be very successful among kids. The music is uncommon in the sense that they make wide use of MACEDONIAN FOLK ELEMENTS, producing a rather interesting melange of children's music which varies between Folk and Pop. The songs are acoustic, with use of many STRINGED FOLK INSTRUMENTS: Tamboura, Tambouritza Prim, Mandolin, Bouzouki, Acoustic Guitar, Accordion This gives a very WARM, almost rural background to the music. The LYRICAL MOTIFS are the normal ones: celebrating FRIENDSHIP, FAMILY, SNOW, PARTY. There are also FANTASY motifs, with lyrics inspired and co-written with children themselves (the author comes from a big family, so there was never a lack of inspiration for that!) But not only that. The most important is the SPIRIT which comes out of music, isn't it? And we want to make sure that our children DO NOT encounter something which might project a WRONG message. Rest assured, the fact that the composer is an ACTIVE MUSIC

TEACHER in a great International School in North London assumes that the EDUCATIONAL ELEMENT IS INVISIBLY IMPRINTED. Even in the funniest songs. And last, but not least, the success of MOE DETE among kids lays in the simple fact that VIKTOR (the author), LOVES CHILDREN. And children intuitively recognise and RESPOND to this love. By DANCING and SINGING the songs, of course!

I mean, for this price..." A: One of the main reasons for many musicians to go INDEPENDENT is to avoid all the MIDDLE-MEN: Publishers, Labels, Lawyers, Retail-Shops. Believe it or not, that adds up to 60 of the price of a CD. Thus, by buying directly from Independent artists, YOU SAVE UP TO 60 It's the same professional quality CD, with the music that you (hopefully) like, just 5 times cheaper - and all this is possible because of Internet and CDBaby. So, IF THIS AUDIO CD DOESN'T PLAY ON EVERY DECENT CD-PLAYER, COMPUTER, GAME CONSOLE, ETC... ... SIMPLY POST IT BACK IT WITHIN 30 DAYS AND WE WILL REFUND THE FULL AMOUNT, INCLUDING RETURN POSTAGE. No strings. No ifs, ands or buts. And no questions asked. (Again, send us an email using this page, and we will provide you with the Return Address) PS: No single return so far
