

Spin Squeezing And Non-linear Atom Interferometry With Bose-einstein Condensates

[DOWNLOAD HERE](#)

From the contents: Introduction.- Spin Squeezing, Entanglement and Quantum Metrology.- Squeezing Two Mean Field Modes of a Bose-Einstein Condensate.- Non-linear Interferometry Beyond the Standard Quantum Limit.- Outlook. - Appendices. EAN/ISBN : 9783642256370 Publisher(s): Springer, Berlin

Discussed keywords: Interferometrie Format: ePub/PDF Author(s): Gro, Christian
