In 51 A.D., Druid priestess Nimue is injured and enslaved by the hated Roman Legions. Even though she is drawn to her captor, she's determined to escape and complete her mission for the Briton king and her duty to Arianrhod, the goddess she is bound to. The tough Roman warrior who captures her is far from the brutal barbarian she expects. His touch inflames her desires and passion burns between them. Though Nimue does not accept her enslavement, her heart surrenders to her enemy. When Arianrhod appears to her in the form of an owl, Nimue knows the union is blessed. Roman warrior Tacitus is enchanted by the fiery beauty who shows no fear and challenges him at every turn. Though enslaving her goes against his heart, he's determined to make her his. No woman has ever heated his blood as she does. But when he discovers her true nature as one who actually communes with the gods, his loyalties are torn between his heritage and a woman who could destroy everything he's ever believed in.
