Kasparov Karpov Chess World Championship 1990 PDF file, to print and display with Acrobat Reader. This eBook includes the 24 games of the Chess World Championship, all in Algebraic notation, with diagrams in every relevant position, and many commentaries from Grandmasters explaining the ideas behind the moves. The Kasparov-Kasparov fifth World Championship match in New York-Lion was one of the most interesting matches between these two players. Almost all the games were exciting, and the fight was fierce. The time control was 40 moves in 2 hours and half, then 16 moves per hour. The referee was G.Gijssen NL, who also directed the match in Siviglia. Kasparov's training team included Z.Dolmatov, M.Gurevich, Z.Azmaiparashvili, G.Georgadze, and A.Shakarov. Karpov's training team included N.Krogus, L.Portish, and R.Henley. In France O.Renet was added to the Karpov's team. Press room commenters were notable grandmasters that found very difficult to assess in real time the moves of the two champions.
