In Following The Guru, you can learn some valuable lessons that will ramp up even your non-guru offerings and have other marketers looking to you in amazement. You'll discover how to get people lining up to order your new products. Internet marketing gurus aren't on top of their field because of luck . . . and in most cases, they aren't there because of the right product, either. As you read this new book you'll understand what really does set them apart from the 95 of marketers who are struggling online.
