

Mp3 Call Me Alice - Sweet New Disease

[DOWNLOAD HERE](#)

A dynamic, theme-based, hybrid rock band flavored with electronics and fronted by a female vocalist. 8 MP3 Songs ROCK: Modern Rock, METAL: Alternative Metal Details: Call Me Alice is a dynamic, theme-based, hybrid rock band which announced its arrival to the Institution during the last millennium. CMA is a very creative music project unlike anything else available at the moment. The music is melodic rock, flavored by electronics and fronted by a female vocalist. All members of the band are portrayed as 3D characters and are characters in a Universal story which is unfolding on the band's website and in its live performances. CMA's goal to is to take popular musical entertainment to a new level by incorporating a full sensory experience where reality meets virtual reality. See hear and experience CMA now!
