

## Mp3 Daniel Blak - Digital Demon

[DOWNLOAD HERE](#)

Elektrometal... Music of the cyberized generation... 7 MP3 Songs ELECTRONIC: Industrial, ROCK: Goth  
Details: Daniel Blak's a young artist who's music is like no other.. with his debut album, 'Digital Demon', he's out to prove it! With influences of ramnstein, dot allision, other industrial artist, he has managed to create what he calls 'elektrometal', which is his own style. with songs like'uneazy', 'downer' 'digital demon', you're bound to be dancing, headbanging, begging for more! ' Daniel Blak brings it! Its almost hard to belive one guy put this cd together...' -Kevin Yeager(u.s.n.) 'I love 'downer', it gives the atmosphere of a club full of vampires...' -juliana kung(student) 'I highly recommend this album!'-students @ pasadena city college Daniel Blak's 'Digital Demon' is definately worth the time. You can be expecting more from this artist soon! But for now, definately pick up 'Digital Demon'. You won't regret it! For more info, visit [freewebs.com/danielblak](http://freewebs.com/danielblak)
