Details: Growing up on a small Banana farm in Hawaii to a free spirited song writing, husky voiced father and beautiful, swing dancing, business savvy mother. Jess Penner's childhood was sweeter than most. Perfect sunny days walking barefoot to the beach and fishing with the neighborhood boys would be more than a dream for most kids. But Jess had dreams much bigger.... Signing her first record deal at age 16, Jess spent the next decade fully committed to her dream. Two bands, seven nationally distributed records and over 1000 live shows later Jess is now working on her first solo project and couldn't be more excited. "Nothing is off-limits, I love it all... I want to write and sing songs that make people smile, that make them want to dance, to kiss, to feel alive..." -Jess
