Put 'N Sync a male version of Stevie Nicks in a blender.(thats what i think these songs sound like) 3 MP3 Songs in this album (15:00) ! Related styles: POP: Pop, POP: Power Pop People who are interested in Stevie Nicks John Mayer should consider this download. Details: "Handsome tunesmith destined for stardom" -Liz Smith (New York Post) Fun Facts about these 3 songs: 1-"The Calm Before the Storm" was written on the movie set of Spanglish, starring Adam Sandler. -(I was Adam's Stand-in on that film wrote it in between takes). 2-"Where Are You Now" was the 2nd song I ever wrote while taking piano lessons by my keyboardist Chris Bratten. (The 1st song being "I Hope You're Happy Now") 3-"Hateful Man" is about my asshole father.
